Light up a Life

Sunday 3rd December 2017

4pm

Once again we are approaching our special time of remembering those we love. As you begin to think about Christmas, we would like to invite you to begin your preparation here in Christopher Grange by coming and sharing some time with us, a special moment—of silence, reflection and prayer.

You might like to have a dedicated candle lit and a light shining on our Christmas tree, reminding you of the light still shining in your heart.

You may wish to make a donation to sponsor a light. Please fill in the form below if you do, and return it to us. Please do not feel obliged to make a donation — this time is a time for you to remember and give thanks.
